Offering Full Service Property Maintenance in Greater New Orleans Since 1975 Southern Sweeping Services, LLC is a full service Parking Area Maintenance Company, keeping your Parking Area free of all trash and debris is our number one objective. Keeping your property clean and enhancing your image is our priority. Our Service Philosophy Our goal is to make life easier for Property Owners and Managers by offering professional Parking Area Maintenance Services such as sweeping, striping and pressure washing. Our Sweeping Equipment We use state-of-the art air sweepers from Schwarze Industries and Victory Sweepers. Although our powerful vacuum sweepers relatively quiet during operation, they are powerful sweepers capable of sweeping up trash, broken glass, small rock, sand, cans and bottles. They also remove the fine material that can cause slip-and-fall concerns, as well as that cause unneeded wear on striping, sealcoating and interior floors. Our sweepers feature rotating gutter brooms that will clean your curb lines for greater curb appeal. If your curbs and corners are not clean then your parking lot is not clean! Backpack blowers are used prior to sweeping to blow walkways, corners and inaccessible area's free of all trash and debris. Let Us Show You The Difference We Provide Southern Sweeping Services, LLC was founded in 1975 by its current President and CEO, Larry N. Raziano.
