Call J & J Sweeping when you want the job done right. When you choose J & J Sweeping, you will receive a quality level of services. We sweep with environmentally-friendly sweepers.

Our sweepers are the foundation of our ability to provide our customers with efficient, cost-effective service on an ongoing basis. We utilize machines with the features needed for bringing you good results, no matter what type of pavement cleaning you require. No matter how large or small your needs, our trained professionals are eager to do the best job possible. We are a hands-on, family business with a good old-fashioned, hard work ethic that gets the job done right. We provide our customers with a variety of customized, total service packages.

Whether your apartment needs sweeping once a month, or you manage a high-traffic mall that requires periodic updates throughout the day, J & J Sweeping can work with you to develop a program that fits your needs and your budget. You'll find that our professional level of services also creates a safer, more inviting environment for your clients. Our proven expertise and experience can be tailored to fit your requirements for any type of parking area sweeping, whether commercial, retail or residential complexes. By request, we can also handle your special cleaning and maintenance assignments, including trash can liner servicing, graffiti removal, pressure washing and more. You can count on us to provide the timely service you need to keep your property looking its best. We also understand the special needs

of 24-hour businesses, where there are no 'off hours.' Give us a call today to discover how well this family-owned business can take care of your needs!
