Phone: 229-563-8888

Our professional teams provide services throughout South Georgia and the Florida Panhandle. In Georgia this includes in the towns of Adel, Valdosta, Moultrie, Thomasville, Albany and Lakeland. In Florida, we service Tallahassee, Bradfordville, Monticello and Jasper. Our company's services include all of the following: Parking Lot Sweeping Lot Striping & Painting Debris & Bulk Removal Pressure Washing Day & Night Porterage ADA Parking Signage Managed Landscaping Parking Lot Sweeping Our parking lot vacuum sweeper professionals possess the skill and care to service any property, from retail to municipal. In addition to cleaning all open areas with one of our vacuum sweepers, we routinely: Use a backpack blower to clean all areas inaccessible to our sweepers. Handpick litter and other items as needed. Clean trash areas and bin enclosures Regularly inspect your property for overall cleanliness, illegal dumping, asphalt conditions, etc. Parking Lot Striping Whether you have a large-scale striping project or just need your small strip center, retail store or apartment complex restriped, you can count on us. We provide the very best value, and will ensure your striping job is done right and in compliance with code. Our services can include: Painting and layout of new stall lines Re-painting of existing stall lines and pavement markings ADA approved handicap stalls Directional arrows Word stenciling Painted curbing Painted parking bumpers Specialty stencils Blackout of un-needed markings Painting or re-painting light pole bases Pressure Washing There are many times when power washing and/or steam cleaning are required to beautify and sanitize such surfaces as walls, signs

sidewalks, trash enclosures, parking garages, etc. Our power washer and steam cleaner operators are experienced in removing all kinds of debris, such as gum, oil, grease, mildew, mold, paint and graffiti marks. From parking area sweeping to most all of your exterior property needs, you will find that C & M Parking Lot Sweepers will provide your organization with an expert level of services. Give us a call today or visit our website, at www.parkinglotsweepersllc.com, for more information or to receive a free professional assessment of your needs.
