Call Commercial Sweeping, Inc. when you want the job done right. After all, sweeping is our middle name! We do a variety of parking lot sweeping, construction site cleanup, and sweeping of apartment and industrial complexes. Our sweepers are the foundation of our ability to provide our customers with efficient, cost-effective service on an ongoing basis. We keep our sweeper fleet in good sweeping condition, and employ machines with the features needed for bringing you good results, no matter what type of pavement cleaning you require. When our customers have a special cleanup need, due to an accident, spill, etc., we provide a quick response to minimize any impact on your business or customers. No matter how large or small your needs, our trained professionals are eager to do the best job possible. We are a hands-on, family business with a good old-fashioned, hard work ethic that gets the job done right.
